COMMUNITY COLLEGE INNOVATION CHALLENGE

Advancing Student Innovation & Impact

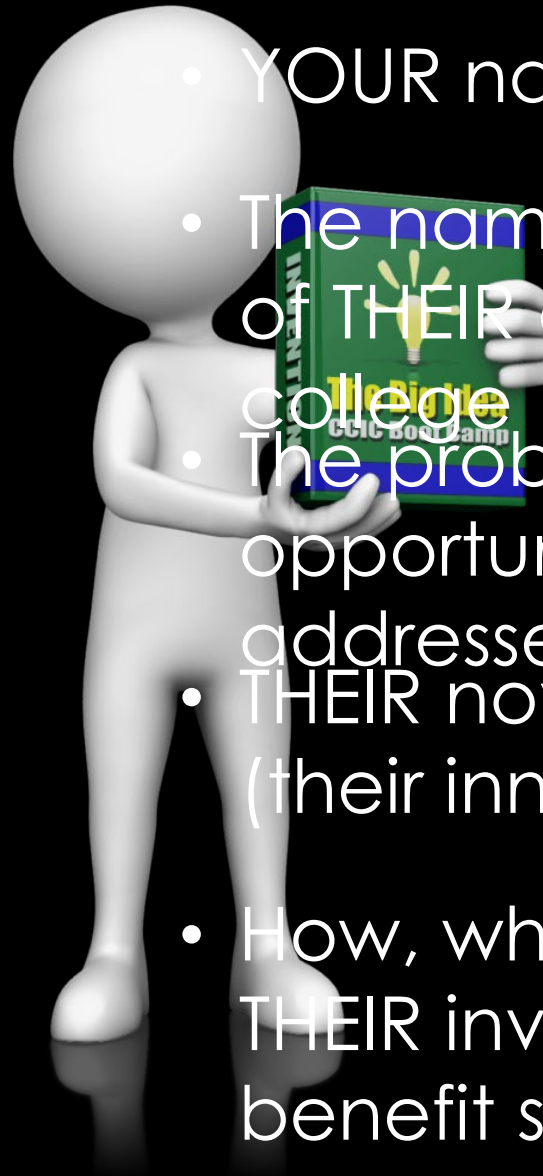

A dark, modern elevator with two glass doors set into a textured grey wall. Above the doors is a rectangular control panel with a green upward arrow and a grey downward arrow. To the right of the doors is a small black square button with a red dot. The floor is made of dark grey tiles.

“Elevator Pitch”

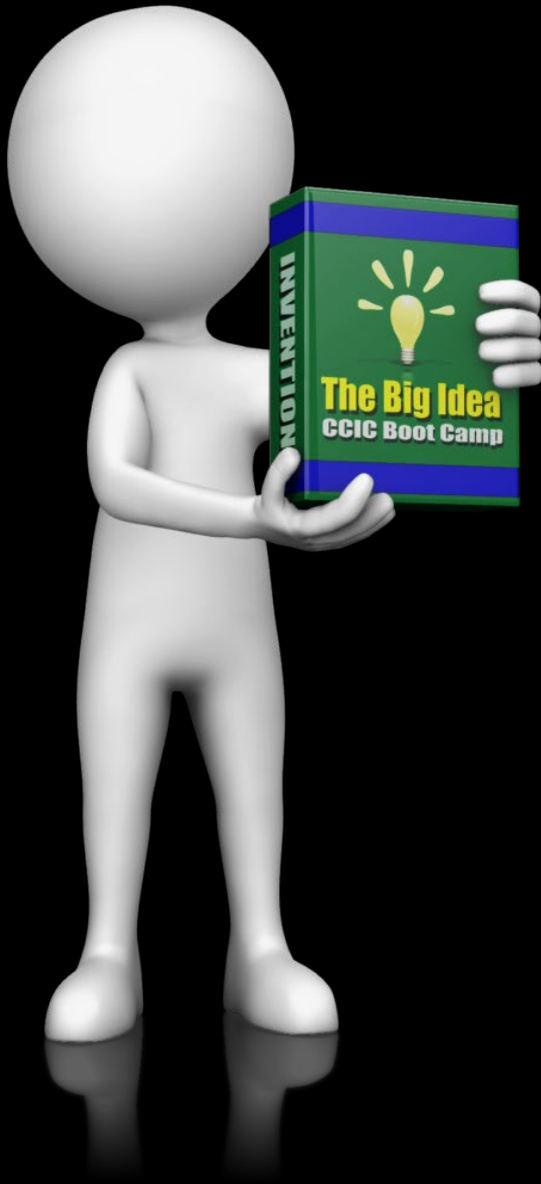

You won't be
pitching your
team's
project.
You'll be
pitching
another
team's
project.

IN 45 SECONDS

- YOUR name
- The name and location of THEIR community college
- The problem or opportunity THEIR project addresses
- THEIR novel approach (their innovation); and
- How, when implemented, THEIR invention will benefit society
